

Logan's Reserve A Planned Community

Installation Notification Telecommunication Device

To the Board of Directors of the Logan's Reserve Homeowners Association

Date of this Notification: _____

Homeowners Name: _____

Address: _____

Planned Date of Installation: _____

This form is intended to formally notify the Board of Directors of Logan's Reserve of my/our intent to install a telecommunication device at the home listed above.

Antenna Type:

- DBS antenna less than one meter in diameter
- MDS antenna less than one meter in diameter
- Antenna designed to receive television broadcast signals

Installation Verification and Certification:

I/We hereby verify that I/We have received, read and understood the Logan's Reserve Association Rules for Installation of Telecommunication Devices.

I/We hereby certify that the installation will be in full compliance with the requirements as stated in the Rules and understand that penalties can be assessed for improper installation.

I/We understand that only antennas and installations in compliance with the Rules are covered by this notification and require written Board of Directors approval.
